

**CONFERENCE COMMITTEE REPORT
DIGEST FOR ESB 267**

Citations Affected: IC 36-7.

Synopsis: Subdivision plats in counties without zoning. Allows the county executive of a county that does not have a plan commission to establish reasonable standards for development of a subdivision and approve or disapprove a subdivision plat based upon compliance with the standards. Requires the county executive to hold a public hearing before approving or disapproving a subdivision plat based upon the county executive's development standards. **(This conference committee report removes a provision that provides that if the county does not have a county agricultural extension educator, the county extension board must select a county resident who is a property owner with an agricultural interest to serve on the county plan commission.)**

Effective: July 1, 2003.
